

Applicants interested in a Dental Hygiene Program (see page two) must complete one full year of university coursework (**30 credits**) prior to applying for admission at their institution of choice.

Please be aware that the number of applicants to Dental Hygiene often exceeds the total number of available spaces. Therefore, the recommendation is that **students have a second academic/career goal** in mind.

Program requirements are subject to change annually:

- Students must review up-to-date program information within each institution's calendar and Dental Hygiene website, to confirm the application process, course requirements, volunteer or paid experience, and any additional requirements needed to be admitted.
- Potential applicants should note the **competitive** GPA recommended at each institution for admission and be aware that the minimum grade at each institution may differ.
- Course transfers should be checked using the online transfer guide at <https://www.bctransferguide.ca/> for BC applicants and sent to each institution by their stated deadlines.

The following TRU courses are recommended for application and can be taken in one of the open admission programs such as the Bachelor of Science or the Bachelor of Arts.

Required Dental Hygiene Courses (30 credits)	TRU Courses	Prerequisites/co-requisites
First-Year English (6 credits)	Two of: ENGL 1100, 1110, 1120, 1140, 1210 Camosun College: ENGL 1100 and One of: ENGL 1110, 2010, 2020 Vancouver Island University: ENGL 1100 and One of: ENGL 1110, 1210	English Studies 12 or English First Peoples 12 (73%) or ENGL 0600 (C+) or ENGL 0620 (C+)

In addition to the educational requirements, there are several general requirements that must be satisfied prior to applying for admission. Students should consult the appropriate institution(s) website and online calendar for this information.

After completing your 30 credits of prerequisites and Dental Hygiene Diploma, you may consider:

TRU – Bachelor of Health Science

<https://www.tru.ca/distance/programs/health-science/bachelor-health-science.html>

UBC – Bachelor of Dental Science in Dental Hygiene (BDSc)

Admission Option 1: Degree Completion Category 1 (4th year entry) – After completion of 30 credits of specified university transferable courses and a dental hygiene diploma/certificate from an accredited North American dental hygiene diploma (min. 90 credits)

Dental Hygiene Degree Program – Admissions

UBC Faculty of Dentistry
278 - 2199 Wesbrook Mall
Vancouver, BC V6T 1Z3

Phone: (604) 822-9726

Website: <https://www.dentistry.ubc.ca/dental-hygiene-entry-to-practice/general-info/>

For more information about registration as a dental hygienist in British Columbia:

CCOHP - BC College of Oral Health Professionals

110 – 1765 8th Ave W
Vancouver, BC V6J 5C6

Phone: 1-888-202-0448

Website: <https://oralhealthbc.ca>

NOTE

This form is to be used as a guideline for students planning to transfer to Dental Hygiene programs. Due to changes that can occur at any post-secondary institution, it is the **student's responsibility** to check that courses selected meet the requirements of the institution(s) where they plan to complete the Dental Hygiene diploma.
