

Hello! I am Rohini Ranganatha, a 2<sup>nd</sup> year Post Baccalaureate Marketing student, with aspirations of running my own Creative Agency one day! With a huge interest and love for all things Marketing, Creativity and Business, I spend my time upskilling in these fields by tickling my brain for new ideas on my creative strategies for work, or networking at almost every event that happens here in Kamloops. My hobbies also include Dancing, Music, and playing Foosball at CAC. I hope to contribute as much as I stand to gain as being the Board of Governor and Member of Senate, here at Thompson Rivers University.
