Program Admission Process

Admission is selective and competitive. Not all applicants who meet the minimum requirements are accepted to the program. Evaluation process and details specific to qualifying can be found in the FAQ section of the TRU website:

SELECTIVE ADMISSION PROCESS

Education Ranking Guidelines

Two categories for consideration: High School and Post-Secondary. Applicants will be ranked by GPA. Seat allocation is based upon annual applicant pool. The following is a *GUIDELINE only*.

Post-Secondary applicants are students presenting a minimum of 12 credits of post-secondary coursework and satisfy the *4 post-secondary admission requirements*. Students must attain a core average of 3.0 for consideration:

- a. Satisfying a minimum of 3.00, students with 12 to 27 credits are ranked according to their overall GPA.
- b. Satisfying a minimum of 3.00, students with 30 credits will be ranked according to their overall GPA. If presenting more than 30 credits, the GPA will be calculated on the last 30 credits of coursework completed.

Current High school applicants are required to complete the *5 secondary school admission requirements generating the GPA for consideration*. Seat allocation is based upon the annual applicant pool.

- a. Students who have graduated high school presenting UPrep/ABE coursework, are placed into this category. If courses are repeated, the highest mark will be used for ranking. A blend of UPrep/ABE AND high school courses may be used.
- b. Students under 12 credits of post-secondary coursework are placed in this category. GPA from these courses will not apply.
